

4 RULES TO BECOME A BIBLICAL VOTER

Think Critically and Biblically

Voters with Judeo-Christian ethics have a written set of beliefs defining how to live. These core values are outlined in the Bible. The Bible is the written Platform of a Judeo-Christian believer.

The Democrats, Republicans, Libertarians, etc., also publish a list of principles upon which their party and candidates will stand. All Parties have beliefs they reflect as goals and purposes to achieve if elected. These become their Party Platforms.

RULE #1

Become a Christ-O-crat! Align to a Political Party that represents your faith.

Psalm 1:1-6 (NKJV) – Live transformed lives serving God. Scripture informs us:

Blessed is the man who walks not in the counsel of the ungodly, nor stands in the path of sinners, nor sits in the seat of the scornful; ²But his delight is in the law of the LORD, And in His law he meditates day and night. ³He shall be like a tree planted by the rivers of water, that brings forth its fruit in its season, whose leaf also shall not wither; And whatever he does shall prosper. ⁴The ungodly are not so but are like the chaff which the wind drives away. ⁵Therefore the ungodly shall not stand in the judgment, Nor sinners in the congregation of the righteous. ⁶For the LORD knows the way of the righteous, but the way of the ungodly shall perish.

RULE #2

Read the Party Platforms

Party Platforms are long and can be confusing to read. But it is essential to know what they propose for our nation, or you could be misled by a candidate's campaign speech with empty promises, etc. In the next section *60+ Contrasts That Tip the Scales of Justice, The Historical, Constitutional, and Moral Contrasts of the Two Major Party Platforms*, you will get a broad overview of the two parties.

RULE #3

Know the Differences Between the Party Platforms

It is our job to know the Party Platforms and to align our faith with the one that most affirms biblical beliefs. As voting is an essential activity of every citizen of the Church, this key point will make the difference in every election. You cannot separate your faith from how you vote at the polls - it is faith in action. Read the synopsis of Party Platforms in the section of this booklet called: *Party Platforms - In Their Own Words*. Read the full versions on the website www.biblicalelector.com under Party Platforms.

RULE #4

Vote the Platform; Not the Candidate

Candidates are obligated to follow their Party Platform. For this reason, the platform of the party is generally more important than the candidate.

When you hear the phrase "vote straight ticket," it is because the core values of the Party in their stated platforms take precedence over the candidates.

Exception: When a candidate's values stand in opposition to your faith, even though they run on the Party Platform of your choice, make a further prayerful determination through a vetting process. Know who is running, the positions they take, and their moral stand. Pray for God's direction, counsel with others; you might consider who is the lesser of two evils.
