Conservative Voter Santa Clara County Voter Guide General Election, November 2022

Title	Description	Reco	Rationale
Prop 1	State of California Alters State Constitution to legalize abortion with no limits.	NO	Current CA law allows abortion throughout 1st trimester and thereafter if mother's life is threatened. This proposed constitutional amendment makes abortion an unlimited "right". New legislation awaits Newsom's endorsement allowing abortion throughout perinatal period (birth+28 days). A child born with
Prop 26	State of California Legalizes more types of betting.	NO	Downs, cleft palate, or red hair can be "aborted". Sponsored by wealthy gaming tribes, but why confine it to tribal lands and racetracks instead of opening it to all gaming entities?
Prop 27	State of California Legalizes online sports betting.	NO	In the land of the startup, why can online gaming only be run only by large gaming companies, and why does the bill require partnering with tribes? Also creates new unaccountable CA DOJ department to regulate, etc.
Prop 28	State of California Requires K-12 art/music education funds.	NO	Would be better to direct the money toward STEM instead of subjects that can easily lead toward more indoctrination.
Prop 29	State of California Requires kidney dialysis clinics to have MD, NP, or PA on-site.	NO	If at first you don't succeed proposition returns again. Passage of this bill would crush small dialysis clinics, thus making care even more expensive.
Prop 30	State of California >\$2M income tax rate increase; funds EV & wildfire programs.	NO	Another tax-the-rich initiative to pay for pet projects. How long before they all leave the state?
Prop 31	State of California Referendum against law banning flavored tobacco.	NO	Pretzel-wording, but NO rejects SB793; will once again allow sale of flavored tobacco products. It's already illegal to sell tobacco products to kids, why do we need the overreach to stop sales to adults?
Measure A	City of Morgan Hill Prohibits new warehouse buildings.	NR	Bans large warehouse businesses in order to maintain "small-town feel and family-friendly character" of Morgan Hill.
Measure B	City of Morgan Hill Voters to approve lane reductions.	YES	Stops further arbitrary lane closures of Monterey Road without voter approval.
MeasureC	City of Saratoga Creates term limits for City Council.	NR	Coin toss, sometimes term limits clears dead wood, other times limits allow biased staffers to run amok while green officials get up to speed.
Measure D	City of Gilroy Updates contract bidding structure.	NR	Adding experience & qualifications as selection criteria is good, but allowing Design & Build by same contractor probably isn't a great idea.
Measure E	Patterson Joint Unified School District	NO	BOND ALERT! Adds \$570 to property tax burden. Isn't attendance way down
Measure F	City of Milpitas Complex term limit reduction of max 10 yrs for Council, 6 yrs for Mayor.	NR	Could they make this more complicated? Coin toss again on term limits, clearing dead wood or enabling biased staffers, but 14 years is a long time to be stuck with a bad councilperson.
